225	8"	160	5"	6986-2012
225	8"	180	6"	6986-2015

- Other sizes up to 630mm and other flange types made to order.
- Standard length is 300mm. Contact our sales team for other requirements.

#### Comments:

Check that both pipe(s) and fitting to be joined are compatible, only compatible materials should be joined together. Check the PN and SDR rating marked on fitting and compare with that of the pipe. If in doubt, seek advice from the manufacturer. Correct installation procedures should be followed.

The designs, materials and specifications shown are subject to change without notice. This is due to the continuous development of our product range
